**LETTER OF RECOMMENDATION**

Dear Admissions Committee,

I am delighted to recommend Ms. Bumdari Boldsuikh for admission into your university. I first became acquainted with Bumdari when she started volunteering at our organization in May, 2021. She is one of the valuable team members of the 'Bridge Between Us' Gen Z Girls Leadership Project, which is run by high school girls.

Bumdari finds joy in helping others. Her unwavering enthusiasm and self-confidence immediately captured my attention. Under her leadership, the girls produce and broadcast podcasts to share college admission resources and other essential information for high schoolers. In addition, she actively engages in raising public awareness of gender inequality and the challenges that girls and women face today. Recently, in celebration of the International Day of the Girl, she spearheaded the pre-production stage of the "Digital Divide" awareness video content.

Bumdari is an incredibly adaptable young woman who wears many hats as a Gen Z team lead, a podcast host, and a translator. In addition to her outstanding creative skills, I am impressed by her high level of commitment and eagerness to learn anything that could further her understanding of each assignment topic, her roles, and goals.

Our organization is fortunate to have her as a Gen Z member. Without a doubt, Bumdari will make the most of every opportunity to excel in her field and positively impact the world around her. I am certain that Bumdari's growth mindset and skillsets make her an excellent candidate for your school, and I offer my wholehearted endorsement of her.

I would be glad to answer any further questions you have regarding Bumdari.

Sincerely,
